Hello Carrie –

Just wanted to follow up on this earlier email, if you can update me as to the restrictions of this funding I would greatly appreciate it. We certainly have a need to use the remaining funds for the 21/22 school year but will not do so until we receive approval.

Thank you again, I appreciate your consideration. Have a great day -

**Subject:** City of Nashua - grant information

Hello Carrie –

I have you listed as our current contact, if that is not correct will you please let me know or forward to the correct person. I am the new Director of Advancement and will be the new contact moving forward.

The Girl Scouts of the Green and White Mountains has graciously received a grant in the amount of \$5000 last August 2020, to be used to support of Outreach troops in the Nashua area, to be used for the 2020/2021 school year. Due to some challenges delivering some of our programming due to COVID and some restrictions in place with these Outreach troops, we were not able to use all of the funded grant by the end of the 2021 school year. As we begin our new Girl Scout year, and start making plans with the Nashua Outreach troops, we do have some incurred costs and we would like to use balance of the 2020 grant.

I want to honor the integrity of your original gift, and am asking if you would allow us to use the remaining balance towards costs incurred for the upcoming 2021/2022 school year?

I appreciate your response to this request, as we are moving forward with these girls in the Nashua area.

We are so very grateful for the past support of the City of Nashua over the years. Our mission is to build girls of courage, confidence and character. We would not be able to offer the programs or the opportunities to Girl Scouts of the Nashua area without the support of organizations like yours.

Thank you again, I look forward to hearing back.
