ANALYSIS

This legislation amends the City's Land Use Code by increasing the maximum number of off-street parking spaces allowed for middle and high schools as shown. State statute (RSA 675:2) and NRO Section 190-132 require a public hearing and referral to the city planning board. The public hearing is conducted by the aldermanic planning and economic development committee with notice published in a newspaper of general circulation and posted in two public places at least 10 calendar days prior to the date of the hearing. The notice period does not include the day notice is posted or the day of the public hearing. (RSA 675:7, I) Under RSA 676:12 and NRO Section 105-3, no building permit may be issued after the legal notice has been posted if the proposed changes would, if adopted, justify refusal of the permit. This limitation applies for a period of 120 days.
