Re: 452 Amherst Street – Release of Façade Easement

Background

Alla Maak Properties, LLC has petitioned to the City to Release the Façade Easement on 452 Amherst Street (the Country Tavern Restaurant). The Board of Aldermen's Infrastructure Committee referred the petition to the Planning Board of their recommendation.

The Planning Board was previously supplied with the following:

- The NH Division of Historic Resources determination that the Property is NOT eligible for the National Historic Register.
- Historic Preservationist Lisa Mausolf's Report explaining why the property has little to no historic value.
- Acted in accordance with the City's Master Plan objectives on Historical Resources, by providing a documentation of the history of the structure for the City to be archived in its historical resource database.

Furthermore, Since the July, 1, 2019 Memo from Roger Houston the City, through its Economic Development, Community Development and Legal team, have entered into a dialog with the applicant to discuss a reasonable alternative to simply removing the façade easement from the property that would be a win-win for all involved.

To that end, the parties have worked closely these past few weeks toward an agreement acceptable to the City and Alla Maak Properties. Our Agreement includes:

- A \$50,000.00 contribution to the City
- Exclusive salvage rights to the City
- An effort to preserve the mature trees on site
- Release of the Façade Easement

Request

Considering that the Property has little to no historic value, and we have a substantive Agreement in place, we respectfully request the Board's positive recommendation to the Board of Alderman to release the Façade Easement.
