Chairman O'Brien

I would be remiss to say we did have a sickness excuse; several of the Aldermen do have Ward meetings that are concurrently going on and they are attending that. So everybody not present is properly excused. Thank you.

Chris Wheeler Hello everyone, my name is Chris Wheeler. This is Jennifer Ray and we are at 7 Amherst Street. We bought the home back in December and it was completely remodeled, refurbished. We are hoping to change the address to 2 Abbot Street. I don't know if you've seen the paperwork yet or not, I don't really know if I have much to add. But it's on the corner of Abbott and Amherst, our driveway is on Abbott and we put our barrels out on Abbot and giving directions to people coming to visit us it is Abbott. And it just would make our lives a much more simpler to have 2 Abbott.

We have met the local mailman that delivers on Abbott and he said that used to be 2 Abbott years ago and he used to deliver our mail. 7 Amherst, as you know it is a busy street, there is nowhere to slow down so there is nowhere for a car to pull into. So there are a lot of people get very confused, package delivery is a nightmare. Amazon Prime doesn't know what is going on so putting packages out on front on Amherst Street, it is exposed. Anything else, alright. So please let us change the address to 2 Abbott. Thank you very much.

Paul Theiler My name is Paul Theiler and I am the property owner of 13 Second Street with my partner. We have owned this property over 30 years and it has always had four separate addresses. Now we have ran into a problem where it is not listed as individual addresses, it is listed under 13 Second Street, A, B, C, D. So we'd like to officially change them to the addresses that we've been calling it for the last 30 years. In the past years we have had mail, utilities, everything else has no problem going to the individual addresses. The times we've had emergency services go in there, they get to the right address. So personally we don't see an issue here in terms of problems. It is only contained to our 4 unit building so it doesn't affect anybody else with the name change. That's it, thank you.
