

ASCC Committee Meeting Minutes (Virtual)
November 13th, 2020
2:00 PM

Director's Updates

Halloween party was successful. Less in attendance, but to be expected. 50+ kits handed out. Thank you to all who volunteered, and to McQuesten Farm for the donation.

Rivier Education Club has created a virtual bitmoji classroom. We have 20 kids enrolled and expect more. Admission is rolling. Each child gets a starter kit of supplies and a monthly kit with all materials needed for activities. Activities are uploaded weekly.

Adult entrepreneurship class has begun. Is being run by neighborhood volunteer. Students are very invested.

Discover Dance added a pre-k intro to dance class and youth hip hop class – 6-week series. Will be adding youth ballet at the end of month.

Holiday Party

85 trees have been donated this year. Party will be on 12/12 from 1-3 PM. Holiday craft to-go kits will also be handed out. Kim will be donating crafts and chocolate. Gloria will be donating candy canes. United Way will be donating hand sanitizer and masks for each family. Megan has started to do outreach to community partners for families most in need. Will not advertise trees to "public" until she has better idea of need. Please email Megan the number of trees you need for your agency and spread the word to others. Mike will be reaching out to see if we can get tree stand donation. Please let Megan know if you'd like to volunteer.

Meeting adjourned at 2:35 PM.
