**ANALYSIS**

This legislation transfers \$2,000,000 from Account 308-91-6105 "Employee Benefits Fund" into General Fund "Undesignated Fund Balance" for the purpose of increasing the undesignated general fund balance. A resolution to use a portion of the undesignated general fund balance to reduce the tax rate is being introduced concurrently, and the calculations related to that resolution are based on the passage of this resolution.

Charter Sec. 53 permits the Board of Aldermen to transfer any unencumbered appropriation balance or any portion thereof from one department, fund or agency to another.

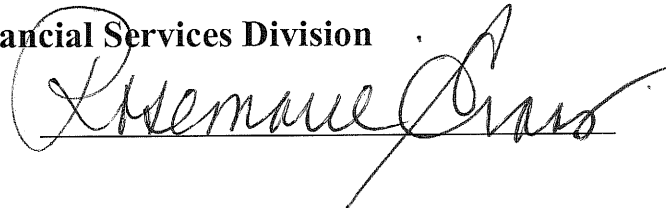

NRO § 5-130, H provides that "when proposed legislation to transfer or reappropriate a particular appropriation or portion thereof has had its first reading, such funds shall not be expended or transferred while the legislation is pending".
