**Article 9**  
Overtime

Overtime may be required of all employees. Compensation therefore shall be paid as required by the Fair Labor Standard Act and other pertinent law. Nonexempt employees called in from home to work shall receive a minimum of three (3) hours pay therefore at the applicable rate. Employees who are "on call" or subject to the provisions of a written procedure established by management requiring periodic work outside their regularly scheduled hours shall be paid any additional pay provided for in such procedures.

For any employee in the Public Works Division, time and one half the employee's regular hourly pay shall be paid for work assigned and performed in excess of eight (8) hours in a work day, or in excess of forty (40) hours in a work week. Paid Earned Time, paid holidays, military active duty for training, jury duty, bereavement leave, or other excusable reasons of similar urgency, shall be considered as time worked for the purpose of computing overtime pay.

When Park Department foremen go on permanent night shift assignment, all overtime for these employees in the Park Department will be based on the premium rate of pay (base pay plus shift differential) for all overtime work performed.

Overtime shall be allocated within a department on a rotating basis starting with the most senior qualified employee. The next round of overtime shall begin with the next senior employee not previously contacted for overtime. Once the list is at the bottom (least senior employee) the list will

1 start again with the most senior. All qualified bargaining unit members in the division shall be  
2 offered overtime before members of other units.

3  
4 Notwithstanding the foregoing, overtime in emergency situations shall be assigned as determined by  
5 management in order to best address the emergency. In this event, employees required to work  
6 overtime for the emergency will be skipped over the next time they would be eligible for non-  
7 emergency overtime.

8  
9 For the purposes of this section, seniority shall be calculated on the same basis as Job Posting/Lay-  
10 offs and Recall.

11  
12 The City and the Union will jointly maintain an updated overtime rotation list. The Union will  
13 provide the City with any changes in contact information. These changes will be made to the list as  
14 soon as they are received from the Union. Any errors in allocating overtime will be corrected  
15 immediately by placing the missed individual at the top of the overtime list and giving him or her the  
16 next overtime opportunity. This subsequent opportunity will be offered for the same number of  
17 hours as the missed opportunity. The employee's original position on the overtime list will not  
18 change with this action. Corrections of errors in allocating overtime shall be handled in this manner  
19 not more than once per individual employee per fiscal year.

20  
21 Employees who agree to be "on call" shall be compensated one (1) hour of overtime rate (time and a  
22 half) per day. The employee will be issued a pager and respond to it if paged.

23  
24 Overtime opportunities for street foremen shall be as follows:

- 25 List A: Street Foremen
- 26 List B: Other Street Department Foremen
- 27 List C: Other qualified UAW employees in the Street Department
- 28 List D: Park Department Foremen
- 29 List E: All other qualified UAW employees

30  
31 Snow overtime opportunities for street foremen shall be as follows:

- 32 List A: Street Foremen
- 33 List B: Other Street Department Foremen
- 34 List C: Other Snow Route Foremen, not in the Street Department
- 35 List D: Other qualified UAW employees in the Street Department
- 36 List E: Park Department Foremen
- 37 List F: All other qualified UAW employees

38  
39 In the event that no one volunteers for duties relative to snow operations, any new UAW employee  
40 hired or promoted on or after June 2, 2003 is required to be available for snow-related overtime and  
41 will be assigned by reverse seniority on a rotating basis.

42  
43 Anyone who is on Earned Time Leave or who is under medical restrictions or who has reasonable  
44 justification for not being available shall not be required to accept overtime assignments.

1  
2 The City shall provide the Union with the qualifications necessary to assume, on a temporary basis,  
3 the duties of a snow route foreman, and once an employee has been determined to have these  
4 qualifications, the employee shall be included in List F.  
5

6 The City shall provide any necessary training to allow employees to become qualified for these  
7 snow operations.  
8

9  
10 **Article 10**  
11 **Seniority**  
12

13 Seniority shall be defined as the continuous length of service with the City of Nashua. For the  
14 purpose of Lay-offs, Recall and Job Postings seniority shall be in accordance with the following:  
15

16 **Three points [3]** shall be awarded for each completed year an employee works in a specific  
17 department.  
18

19 **Two points [2]** shall be awarded for each completed year an employee works in a specific division,  
20 and out of the department.  
21

22 **One point [1]** shall be awarded for each completed year an employee works for the City and out of  
23 the division, and out of the department.  
24

25 Seniority shall be based on the total number of points an employee has accumulated.  
26

27 For an example an employee with eleven years with the City in continuous service, and as follows:  
28

department	division	city
5	3	3

30 would have 24 points [5x3+3x2+3x1].  
31  
32

33 The City shall furnish the Union Chairperson with an up-to-date Seniority List on a quarterly basis.  
34 The City will also furnish the names of all new hires, promotions, layoffs and terminations on a  
35 weekly basis.  
36

1  
2 Seniority shall be broken for the following reasons:  
3

- 4 a) If the employee quits or retires.
- 5
- 6 b) If the employee is discharged for just cause.
- 7
- 8 c) If the employee is laid off for a period of time greater than two (2) years.
- 9

10 Until an employee has served the probationary period, the employee has no seniority status and may  
11 be discharged or laid off without cause. Upon successful completion of the probationary period,  
12 seniority will accrue retroactively to the date of hire.  
13

14 The employee shall accumulate seniority while on an authorized leave of absence.  
15

16  
17 **Article 11**  
18 **Grievance Procedure**  
19

20 In the event that differences arise with respect to any provision of this Agreement, an earnest effort  
21 shall be made to settle such differences promptly in the following order and manner:  
22

23 **Step I** An employee shall present an oral grievance with or without the assistance of the  
24 Union to the employee's immediate supervisor. The supervisor shall respond to the  
25 grievance within five (5) working days. If the grievance is not settled at this step, the  
26 grievance may proceed to the next step. The employee will be paid at the employee's  
27 regular rate of pay for time spent presenting the oral grievance, if during work hours.  
28 Any resolution of the grievance shall not be inconsistent with the terms of this  
29 agreement. The Union shall be notified of the resolution of the grievance.  
30

31 **Step II** The grievance shall be set forth in writing on the form as provided in Appendix C.  
32

33 The grievance must be signed by the aggrieved employee and Union Representative,  
34 and presented to the employee's Department Head within five (5) working days after  
35 receipt of the supervisor's decision in step I.  
36

37 The Department Head will be given five (5) working days after the receipt of the  
38 grievance to have a meeting with the aggrieved party and communicate a decision in  
39 writing to the Union. If the grievance is not settled to the satisfaction of the employee  
40 and the Union, or if no reply is communicated after the five (5) working days, the  
41 grievance may proceed to Step III.  
42

43 **Step III** The Union will inform the Division Director and Human Resources Manager of the  
44 grievance, in writing and within five (5) working days of the Department Head's

1 decision or lack thereof. The Union shall provide the Division Director and Human  
2 Resources Manager with copies of all prior communications. The Division Director  
3 and/or the Human Resources Manager will be given ten (10) working days to jointly  
4 meet with the union representative and communicate a written decision to the Union.  
5 If the grievance is not settled to the satisfaction of the employee and the Union, or if  
6 no reply has been communicated after the ten (10) working days, the grievance may  
7 proceed to Step IV for positions governed by an established Board of Commissioners  
8 (Fire, BPW, etc.) and to Step V for all others.

9  
10 **Step IV** The Union will inform the Board of Commissioners of the grievance, in writing and  
11 within five (5) working days of the Division Director's decision or lack thereof. The  
12 Union shall provide the Board with copies of all prior communications. The Board of  
13 Commissioners will be given twenty (20) working days to meet with the union  
14 representative, with or without the aggrieved party, and communicate a written  
15 decision to the Union. If the grievance is not settled to the satisfaction of the  
16 employee and the Union, or if no reply has been communicated after the twenty (20)  
17 working days, the grievance may proceed to Step V.

18  
19 **Step V** Within thirty (30) working days of the Division Director's and/or Human Resources  
20 Manager's, or applicable Board of Commissioners decision, or expiration of the  
21 decision period, the Union will have the option of submitting the grievance to  
22 arbitration. The Union shall inform the Human Resources Manager in writing of its  
23 decision to arbitrate.

24  
25 The choice of Arbitrator shall be by agreement of the two parties. However, if no  
26 such agreement has been reached within ten (10) working days notice of intent to  
27 arbitrate, the grievance may be referred to the Public Employee Labor Relations  
28 Board for the selection of the arbitrator in accordance with the procedures then  
29 obtaining. All decisions of the arbitrator shall be binding. The arbitrator shall have  
30 no authority to award a monetary remedy hereunder other than for lost compensation  
31 which would have been otherwise received pursuant to the terms of this agreement.

32  
33 The operation of this grievance and arbitration agreement shall be subject to the  
34 provisions of Chapter 542 of the New Hampshire Revised Statutes Annotated.

35  
36 **Time Limitations**

37 The times for taking action stated above may be extended by mutual consent in writing, but all the  
38 steps of this procedure shall be handled as expeditiously as possible with a view to promoting and  
39 maintaining harmony. Request of either party for extensions of time shall not be unreasonably  
40 denied.

41  
42 Failure at any step of this procedure by the City to communicate a decision in writing on a grievance  
43 within the time specified shall permit an appeal of the grievance to the next step. Failure at any step

1 of this procedure to appeal a grievance to the next step within the specified time limits shall be  
2 deemed to be acceptance of the decision rendered at the step.

3  
4 **Right to Withdraw**

5 The aggrieved party has the right to withdraw the grievance at any time during the proceedings.  
6

7 **Union Representation**

8 The City will allow the grieved party reasonable time to meet with Union representatives for the  
9 purpose of discussing the grievance. Whenever possible, the Union representative will notify their  
10 immediate supervisor when they are meeting with the grieved party.  
11

12 **Fees**

13 The fees and expenses charged by the arbitrator shall be shared equally by the City and the Union.  
14

15 **Mediation**

16 Grievance Mediation may take place, at no cost to either party, in the grievance procedure at any  
17 time if agreed by both parties. Either party may submit a request to the other requesting Grievance  
18 Mediation. The parties may use any mediator or service, including the Federal Mediation and  
19 Conciliation Service or may agree to mediate without a third party.  
20

21  
22 **Article 12**

23 **Job Posting/Lay-Offs/Recall**  
24

25 Each position shall be defined by a Position Description Form (PDF). All PDFs shall be  
26 reviewed and evaluated and assigned a grade. The Union shall have input in the PDF process  
27 and shall be notified when any PDF is being created, under review, being reevaluated or has  
28 been requested to be reevaluated.  
29

30 Effective upon the ratification of this agreement, the City and the Union agree to meet and  
31 discuss the criteria for use in determining upgrades for positions and the procedures by which  
32 employees may request to have their PDFs reviewed for possible upgrade.  
33

34 **Eligibility:** All vacancies in positions within the bargaining unit will be subject to the posting  
35 procedures specified in this Article. When filling vacancies for positions covered by this  
36 Agreement, current regular full-time and part-time UAW bargaining unit employees who have  
37 completed their probationary period are eligible to apply for a vacant position.  
38

39 **General Posting Policy:**

40 **Internal Postings** - A notice of position vacancy shall be communicated to all UAW bargaining unit  
41 employees. The notice of position vacancy will be distributed to every department and posted on the  
42 City's bulletin boards for five (5) working days to allow qualified eligible employees to apply. The  
43 notices will include information on job title, grade, salary/hourly rate, department, brief description  
44 of the job content, and position qualifications. If after the posting of the notice, no qualified

1 employee has applied, the notice of vacancy shall be posted externally in accordance with the  
2 Human Resource Department requirements.

3  
4 Within 60 days of a permanent opening, the City shall either post the position and fill it as stated  
5 above or eliminate the position with such notice to the Union. The City can request an extension of  
6 time to fill an opening, which will not be unreasonably denied by the Union.

7  
8 The settlement agreement concerning job postings Dated July 25, 2005 (Appendix F) is incorporated  
9 into this agreement.

10  
11 **Selection of qualified candidate:**

**Article 32**  
Mileage Reimbursement

**Use of City owned vehicles**

If you are assigned a City-owned vehicle and are allowed to take the vehicle home at night and on weekends, the Internal Revenue Service has ruled that the personal use of the city owned vehicle, that is commuting back and forth to work and any other non-work use, is subject to federal withholding and social security tax, where applicable. This rule does not apply to emergency vehicles specifically police and fire vehicles.

The deductions therefore will be made weekly, based on an annual evaluation of the value of the personal use of the vehicle. The personal use value shall be as required by the Internal Revenue Code and Regulations.

The multiplier used to determine the employees deduction shall be the current Internal Revenue Service mileage reimbursement rate.

**Fixed mileage reimbursement**

If by nature of your job description you are required to use your privately owned vehicle the following reimbursement schedule shall be implemented.

For the purposes of this section the fixed rate schedule shall be based on an annual budgeted item then divided into equal monthly payments. The fixed rate mileage reimbursement figures are based upon the employees daily percentage of time in the field.

The following monthly payment schedule per employee, computed on a yearly basis:

Supervisor Inspections	\$380.00
Code Enforcement Officer III	\$255.00
Urban Program Project Administrator	\$130.00

Any \$0.50 per gallon increment increase or decrease over the American Automobile Association (AAA) published average price of a gallon of gasoline as of July 1, 2006 will result in a ten dollar (\$10.00) increase or decrease in the monthly flat rates. Provided, however, that the rates shall not go below those stated in the above schedule.

Building and Utilities Inspectors shall include the Assistant Building Inspector(s), but only when they are required to perform inspections. The amount shall be prorated on a daily basis, for the number of days when they are required to perform inspections.

1 Employees who are currently covered under the above payment schedule, and who have worked and  
2 been paid overtime, may submit mileage reimbursement in accordance with the IRS reimbursement  
3 rate for the overtime hours.

4  
5 All employees in the positions stated above who, at the date of the signing of this collective  
6 bargaining agreement, currently use their privately owned vehicle, shall be allowed to continue to do  
7 so through June 30, 2008.

8  
9 Employees on an unpaid leave, out on long term disability, or on Earned Time Leave for more than

23 Disciplinary Procedures

24  
25 A. It is agreed that the City has the right to discipline or discharge employees for just cause.  
26 Discipline shall be corrective in its nature and ordinarily utilized progressively. Disciplinary  
27 actions shall normally follow the order below:  
28

- 29 1. Verbal warnings
- 30 2. Written warnings
- 31 3. Suspensions without pay
- 32 4. Discharges

33  
34 Demotion may be used for disciplinary purposes in appropriate instances. In the event of  
35 suspension, demotion, or discharge, the reasons for the action taken will be given in writing  
36 to the employee within 24 hours.  
37

38 It is understood that the severity of any particular infraction may warrant deviation from the  
39 aforementioned steps.  
40

42 Procedure, and will be allowed a representative of their choosing. If requested in writing by

6 carried during the period of any subsequent equal or greater discipline.  
7  
8

9 **Article 41**  
10 **Earned Time**  
11

12 **Generally:**

13 Earned Time is an alternative approach to the traditional manner of covering absence for vacation,  
14 personal leave days, sick leave, and other types of leave. Instead of dividing benefits into a specific  
15 number of days for each benefit, earned time amalgamates these days, into a single benefit. Earned  
16 Time can be used for a variety of purposes including a payment in cash at the time of termination,  
17 but only as provided in this Article. Earned Time is accrued for any month in which an employee  
18 has been employed at least fifteen (15) calendar days, beginning the first day of any month. Paid  
19 leave and absences for jury or military reserve duty are considered time worked for Earned Time  
20 accrual purposes. While an employee will earn Earned Time days during his or her probationary  
21 period, he or she cannot take Earned Time until they have completed ninety (90) calendar days of  
22 employment with the City. If an employee leaves City employment before they have worked ninety  
23 (90) days, they will not be paid for any accrued Earned Time.  
24

25 **Coverage:**

26 Employees who are employed in a position at least (20) hours per week are eligible to earn Earned  
27 Time. Part time employees, those working less than 40 hours, accrue earned time on a pro-rated  
28 basis. The accrual rates for full time employees are as follows:  
29

<b>Years of Service</b>	<b>Days Accrued per Month</b>	<b>Total Annual Days</b>
less than 5 years	2.25	27.0
5 to less than 10 years	2.50	30.0
10 to less than 15 years	3.00	36.0
15 years to less than 20 years	3.25	39.0
20 or more years	3.50	42.0
30 or more years	3.75	45.0

38  
39 Years of service means continuous length of service with the City in accordance with Article 10,  
40 Seniority.  
41

42 **Breaks in Service:**

43 In the event of reemployment after a break in service, as defined in Article 10, not exceeding 2  
44 years, the employee shall accrue earned time as if that break in service had not occurred.

1  
2 **Usage:**

3 All use of earned time shall be arranged in advance by the employee, and approved by his/her  
4 supervisor prior to the date of absence, except as provided in this paragraph. Earned Time  
5 days/hours may be used after being accrued. Earned Time is ordinarily used at the rate of one day  
6 of Earned Time for each day of absence. Employees presenting a request to use earned time less  
7 than 18 hours before the earned time use is to begin shall use earned time at the rate of 1 1/4 days of  
8 earned time for each day of absence. This special rule will not apply to the first seven (7)  
9 occurrences in any calendar year. Earned time shall be used in increments of hours under the FLSA.

10 An occurrence shall be defined as the use of two (2) or more hours of Earned Time without the 18  
11 hour prior notification. Notification may take place in person or via email or voice mail.

12  
13 **Termination of Employment:**

14 In the event of termination of employment, 50% of the terminated employee's earned time balance  
15 will be paid to him/her. In the event of termination due to layoff, 100% of the terminated employee's  
16 earned time balance will be paid to him/her. The employee may elect to defer payment for up to two  
17 years in anticipation of possible recall.

18  
19 **Retirement:**

20 One hundred percent (100%) of any employee's unused Earned Time balance will be paid at  
21 retirement. "Retirement" shall be defined by the New Hampshire Retirement System or by  
22 Ordinance pertinent to the Board of Public Works Retirement System, as may be appropriate.

23  
24 **Maximum Accruals:**

25 Earned Time accumulation shall not exceed sixty (60) days and total Earned Time days and Sick  
26 Leave Pool days combined shall not exceed one hundred forty-four (144) days in the aggregate.  
27 Balance in excess of these accruals shall be lost.

28  
29 **Staffing Considerations:**

30 The parties expressly agree that all leave usage shall be effected in a manner consistent with the  
31 staffing and operational needs of the City so that services are efficiently provided to the Nashua  
32 Community. The parties agree to work cooperatively to achieve this goal. Abuse of the benefits  
33 conferred in these articles may be grounds for discipline.

**Article 42**  
Individualized Sick Leave Pools

**Generally:**

The sick leave pool is intended to provide security by allowing each employee to provide for extended illness, or other disability of the employee, or for the care of a sick family member, consisting of the following: employee's spouse, children, brother, sister, parents, or grandparents. The term spouse shall include domestic partner. When acquiring Pool days, employees convert Earned Time days on a one to one and one half (1 to 1 1/2) Sick Pool days basis. The employee may pick a given number of Earned Time days to exchange for Sick Pool days. This conversion is available annually in the employee's anniversary month. All Sick Pool conversion and usages is governed by this Article.

Sick Pool days are available for use only under the conditions listed below:

1. Use of Sick Pool days must begin on or after the fifth consecutive work day absence caused by illness, injury, or other disability certified in writing to the City by a physician.
2. The employee may continue using Sick Pool days until Sick Pool balance is zero at which point the employee may elect to use any remaining Earned Time.
3. Care of chronically ill relative or friend, or maternity/paternity leave, but only if the need for such leave is documented by a physician to the satisfaction of the City.
4. Doctor's reports may be required by the City at any time. Sick Pool leave may be denied by the City in the event that physician's certifications are not provided by the employee in accordance with this Article.

**Maximum Balances:**

No employee's Sick Pool balance shall exceed forty (40) days. A balance of up to ninety (90) days may result from initial conversion by employees of the City so employed on the date of execution of this agreement. No additional Earned Time days may be added or converted to the Individualized Sick Pool Leave until balance of that account is below 38.5 days.

**Retirement:**

Employees retiring from the City service shall be paid at their current straight time or salary rate for their Sick Pool balances, but shall not be paid therefore in the event of termination or resignation.

1 **Article 43**

2 Professional Affiliations/Licensing

3  
4 The City shall bear the cost of all licenses and/or certifications required by various regulatory  
5 agencies [local, state and federal] to maintain the employees qualifications.  
6

7 **Article 44**

8 Safety Committees

9  
10 Two safety committees, each consisting of an equal number of union and management members,  
11 shall be formed to evaluate various safety issues and concerns. One safety committee shall consist  
12 of UAW Department of Public Works Employees and other UAW employees who perform  
13 significant work outside of City offices. The other safety committee shall consist of UAW  
14 employees who primarily perform office work. The committees shall make recommendations for  
15 implementation. The City shall provide information to the committee as requested, and shall  
16 provide the necessary clerical and/or administrative assistance as needed.  
17

18 **Article 45**

19 Union Business Leave

20  
21 There shall be a total of twenty (20) days of unpaid Union Business Leave per fiscal year for each  
22 UAW unit, which may be used by employees for participating in Union activities. Requests for  
23 leave must be made by the individual to the supervisor, with the Union's approval, reasonably in  
24 advance of the use of the Union Business Leave to allow for appropriate coverage of operations.  
25 The City shall have the right to deny requests for Union Business Leave in the event granting such  
26 leave would result in an adverse impact on operations, however, such requests shall not be  
27 unreasonably denied.  
28

29 **Article 46**

30 Working out of Classification

31  
32 An alternate rate equal to twenty cents (\$0.20) per hour less than the current regular rate paid for the  
33 alternate position will be paid to bargaining unit employees that have been assigned to work in a  
34 classification higher than the employee's regular classification, provided that the employee has  
35 worked a minimum of eight (8) hours in any one (1) calendar day for an accumulated period of forty  
36 (40) hours within a twenty-four (24) month period. Once the employee meets the minimum  
37 requirements, then they shall remain eligible for the alternative rate indefinitely.  
38  
39

1 **Article 47**

6 notice to the other party at least 180 days in advance of the expiration date hereof, otherwise this

SETTLEMENT AGREEMENT

The City of Nashua, UAW, and AFSCME settle PELRB Case Nos. A-0410-78 and M-0640-7 as follows:

- 1. The UAW agrees that internal job postings of supervisory or administrative positions in UAW-represented bargaining units will be first communicated to all UAW and AFSCME bargaining unit employees. The job postings will be distributed to every department and posted on the City's bulletin boards for five working days to allow qualified eligible employees to apply. If after the posting of the notice, no qualified employee has applied, the job posting shall be posted externally in accordance with Human Resource Department requirements.

It is understood that under AFSCME's collective bargaining agreement with regard to promotions to supervisory or administrative positions, the language in its 2002-2006 agreement and any successor agreement shall continue to limit AFSCME to grieving only issues of City notice and consideration for the posting and not the City's employee selection.

It is further understood that under UAW's collective bargaining agreement with regard to Article 12, Job Posting/Lay-Offs/Recall, the language in any successor agreement shall incorporate the understanding set forth in this paragraph and no further negotiation shall be required of the UAW by the City on internal postings.

- 2. All remaining portions of each party's collective bargaining agreement shall remain in full force and effect unless otherwise negotiated by the respective Union and Employer.
- 3. The City agrees that with regard to vacant or newly created merit positions, a notice of position vacancy shall be communicated to all merit and UAW bargaining unit employees before notice is communicated to other City or external candidates. Such first notice shall be distributed to every department and posted on the City's bulletin boards for five working days to allow qualified eligible UAW bargaining unit employees to apply. If after the posting of the notice no qualified UAW bargaining unit member has applied, the notice of vacancy shall be posted externally in accordance with the Human Resource Department requirements.
- 4. With the signing of this agreement, the parties agree to withdraw their pending charges in Case Nos. A-0410-78 and M-0640-7
