#### *CITY OF NASHUA*

*In the Year Two Thousand Eighteen*

*Whereas*, R-17-095 amended ("Authorizing the Mayor to apply for and expend the Community Development Block Grant ("CDBG") and Home Investment Partnership Program Funds for Fiscal Year 2018"), which was passed on May 23, 2017, allocated \$50,000 to the Nashua Soup Kitchen under the FY2018 CDBG Annual Action Plan to reconstruct the 58 Ash Street Emergency Shelter;

*Whereas*, the Nashua Soup Kitchen and Shelter has requested those funds be partially reprogrammed to meet a newly identified need at 2 Quincy Street as well as a change to the scope of work at 58 Ash Street, within the original award amount; and

*Whereas*, the newly identified activities are eligible under the CDBG program while still addressing the needs and goals identified in the Action Plan.

*Now therefore, be it RESOLVED by the Board of Aldermen of the City of Nashua that* the FY2018 Annual Action Plan Nashua Soup Kitchen and Shelter activity be removed and replaced as follows:

"Nashua Soup Kitchen & Shelter - \$15,000

Installation of security cameras in the common areas of 58 Ash Street and 29 Kinsley Street shelters; and renovation of bathroom(s) at 58 Ash Street as the budget permits.

Nashua Soup Kitchen & Shelter - \$35,000

Installation of two commercial reach-in coolers and two reach-in freezers with remote condensing units, inclusive of materials and labor. Note that the budget line items for the Nashua Soup Kitchen & Shelter activities may be shifted between the shelters and the soup kitchen to fully expend the total \$50,000 allocation, as it best meets the needs of the Annual Action Plan, subject to approval by the Urban Programs Department."
