

# QUICK FACTS

## NH SB 247: Universal Testing Law

- If lead hazards are identified in your building, state guaranteed loans are available to cover the cost of abatement or interim controls.
- Failure to comply with lead laws is now grounds for suspending, revoking, or denying your child care license.
- The drinking water in your facility must be tested for lead every 5 years.
- After July 1, 2024, any newly established child care facility in a property built prior to 1978 must be certified lead safe.
