"The Gate City"

March 2019

Dear Business Owner,

Once again, outdoor dining in Nashua begins on March 15, 2019. We are currently issuing permits for the upcoming season. Attached is an Outdoor Dining Permit application along with regulations and rules.

Please remember that a five foot unobstructed path must be maintained on the sidewalk in front of your dining area for pedestrians. In addition, all outdoor dining permit holders are responsible for sweeping and maintaining the cleanliness of the sidewalks they are encumbering at all times. Thank you for your cooperation and I wish you a successful outdoor dining season.

Please contact Lauren Byers at 589-3276 with any questions and mail the completed application to: Division of Public Works, Attn: Lauren Byers – Public Relations Administrator, 9 Riverside Street, Nashua, NH 03062 or e-mail it to byersl@nashuanh.gov.

Sincerely,

Lisa M. Fauteux

City of Nashua

Division of Public Works

Rules and Regulations for Outdoor Dining

Approved by the Board of Public works on June 25, 2015

Introduction

The City of Nashua recognizes the importance of outdoor dining to the vitality and success of our downtown. The outdoor dining rules and regulations are in place to promote the health, safety and welfare of our residents.

Required Approvals

Outdoor dining on a public sidewalk is not allowed without the prior written approval of the Division of Public Works, Fire Department and the Environmental Health Department.

Application Requirements

1. An Annual Outdoor Dining Permit Application which includes approvals from Public Works, Fire Department (Assembly Permit) and Environmental Health.
2. A sketch or diagram depicting the proposed dining area including the proposed number and location of tables, chairs, decorations and other equipment, pedestrian access points to the dining area and how the dining area will be separated from the rest of the sidewalk. Include all physical features in the immediate vicinity including driveways, wheelchair ramps, fire hydrants, trees, poles, etc. Label the name of the street, width of sidewalk, length and width of sidewalk being utilized for outdoor dining and demonstrate compliance with all applicable setbacks.
3. Certificate of Insurance \$1,000,000 per occurrence/ \$2,000,000 aggregate – The City of Nashua must be listed as both the certificate holder and additional insured. The certificate must be valid throughout the period of the permit.

Standard Conditions

1. Permits shall be in effect from the date of issuance (not before March 15th) through November 15th and must be renewed on an annual basis.
2. For the period from November 16th through the following March 14th, all chairs, fencing, umbrellas, tables and other equipment must be removed from the public sidewalk.

3. For the period from March 15th through the following November 15th, all chairs, fencing, umbrellas, tables, and other equipment shall be removed from the sidewalk during inclement weather and upon 24 hour notice from the Division of Public Works.
4. Outdoor dining is permitted until 12:45 a.m.
5. Permit is to be posted in public view and is not transferable.
6. An outdoor dining permit does not increase the maximum number of patrons allowed inside the eating establishment. The outdoor permit is only for the additional outside seats.
7. Outdoor dining areas shall be setback five (5) feet from a crosswalk, handicap ramp, driveway or intersection.
8. A five (5) foot clearance for pedestrians required on all sidewalks at all times. The 5 foot aisle must be a clear path that does not include any obstructions such as light poles, fire hydrants, sign posts, bollards, etc.
9. Permitted area must be contiguous to the licensed premises and maintained.
10. If alcohol is served, outdoor dining shall be separated from public pedestrian space on the adjacent municipal sidewalk by an enclosure system consisting of heavy duty black decorative metal materials or equivalent as approved by the Director of Public Works. The minimum height of the enclosure shall be 30 inches and the maximum height shall be 36 inches.
11. Businesses must use their own trash and recycling receptacles. Sidewalks will be cleared of all debris after close of business.
12. Outdoor dining shall not damage sidewalks, curbing, bike racks, street trees, light poles, trash containers or other City infrastructure.
13. The sidewalk shall be completely free of snow and ice along the entire sidewalk from building to curb in front of the establishment.
14. Umbrellas without logos are permitted as long as they don't extend beyond the permitted area.
15. Canopies over the sidewalk are not permitted.
16. Heaters are not permitted as per Fire Marshall.
17. Decorations must be fire retardant and meet NFPA 701 Standards. No decorations permitted except those approved on the site plan. No loosely hanging material.
18. Fire alarm pull stations may not be obstructed.
19. Candles with small globes are permitted.
20. Sufficient lighting is required. Extension cords are not permitted.
21. No Smoking.

Environmental Health Conditions

The Environmental Health Department will approve outdoor food service operations and cleaning operations, with the area to be left in a clean and sanitary condition at all times and garbage contained at all times in covered receptacles. The area shall be left in clean condition at close of business with all garbage removed in its entirety from the area and any ground debris swept up at close of daily business. No food preparation, grilling, service windows, service counters or wait stations shall be allowed in the area and no condiments, paper products or the like shall be stored in the outdoor area. The Environmental Health Department shall review/approve that kitchen and bathroom facilities are sufficient to support the additional outdoor seating. All outdoor dining activities must be in compliance with Ch.170 Food-Service Establishments and NFPA 101. All applicable regulations apply and at a minimum in compliance with all state laws.

Compliance

All outdoor dining permits are subject to revocation by the City for failure to comply with the conditions of the permit, ordinance or any rules and regulations established by the Board of Public Works, Fire Department or Environmental Health. Public Works exceptions may be granted by the Board of Public Works.
